SCHOOL BOARD SPEAKS FOR COMMUNITY

SCHOOLBOARD

This year Dr. Yoder began his 7th year as Superintendant of Flowing Wells School District. Dr. Yoder has tried to provide the best educational environment possible for the student body, with the help of the School Board. The School Board, elected by the parents, consisted of Mr. Mellen, Mr. Mead, Mr. Richardson, Mr. Steinback and Mr. Douglas. Mr. Bauman, who has been the F.W. business manager for 15 years continued to figure our budget while Mr. Lenihan once again was F.W. personnel director.

MENELEY KEEPS TIGHT SCHEDULE

PRINCIPAL

Mr. Meneley began his 13th year as principal of F.W. and continues to show his concern and academic ability for the students, faculty and community. Mr. Meneley believes that "a good attitude is worth more than technical knowledge" because "without learning there can be no achievement."

ADMINISTRATORS INCREASE HEAD STAFF

ADMINISTRATORS

As well as assisting Mr. Meneley in affairs of the school, Mr. Sorich and Mr. Hart also act as Athletic Directors and Coaches. They show not only how to carry out their tasks with efficiency, but also show their will to win.Extremely enthusiastic about the new schedule changes and attendance policy is Mr. Griesser. In previous years Mr. Griesser has been a physical education teacher at F.W. and this year has taken the difficult position of Dean of Students, showing very fair judgement in disciplining the students. These three men, as busy as they are, never seem too busy to discuss problems of the student body of faculty.

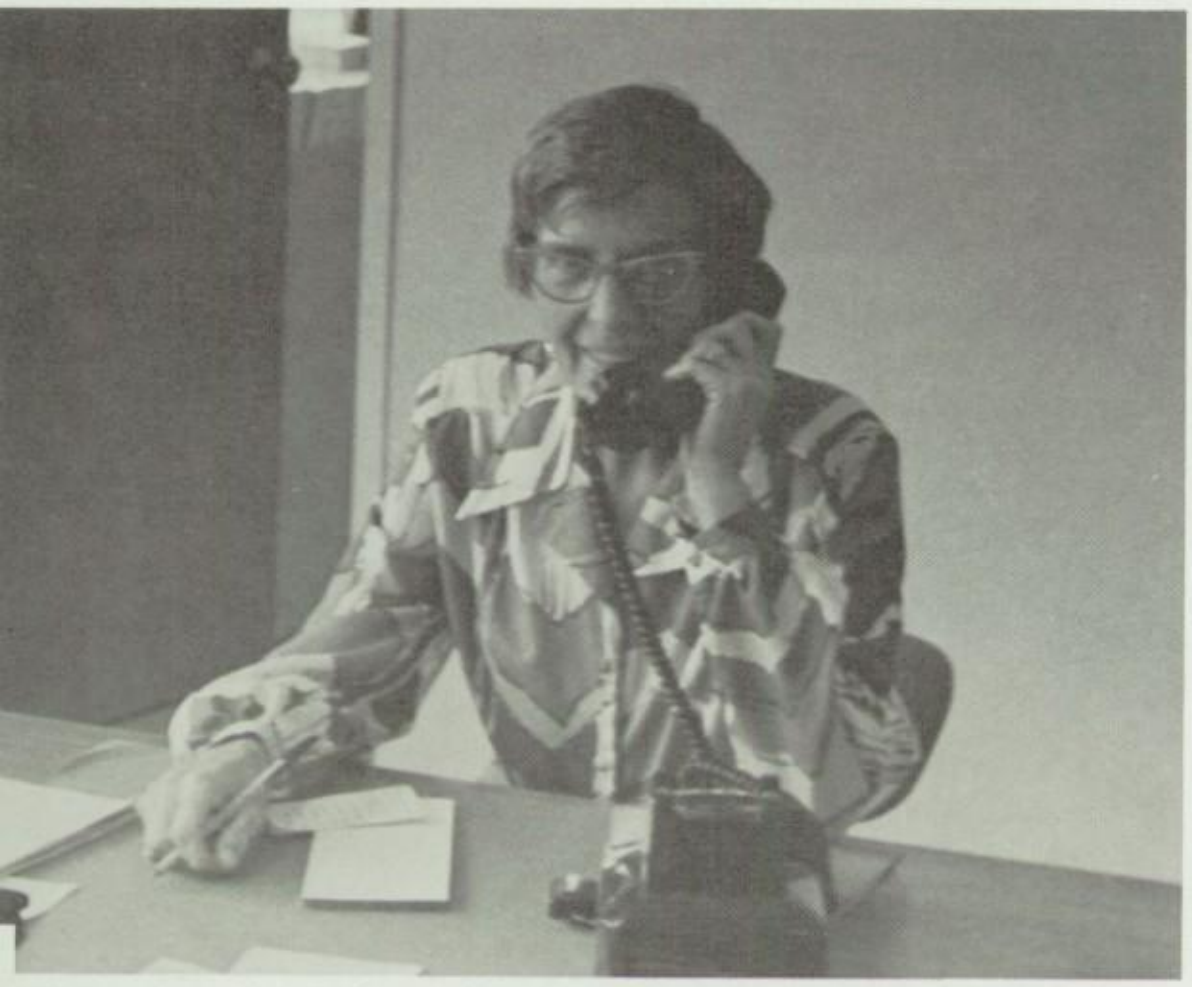
SPECIAL PERSONNEL PROVE VALUABLE



SPECIAL PERSONNEL

Answering phones, typing, checking daily attendance and selling books are just a few of the many jobs that Mrs. Taylor, Mrs. Caldwell, Mrs. Frerichs, Mrs. Cox and Mrs. Baum do every day. These ladies listen to the gripes of the students and faculty daily and try to help as much as possible in a reasonable way. They are devoted to providing the student body and faculty with whatever they decide they need. Mrs. Taylor, new to F.W. this year, is "very impressed by school spirit."

COUNSELORS: THE GUIDING LIGHT

COUNSELORS

The main purpose of the counselors is to aid students in any questions they have about their future plans in school and out of school. The counselors are also available to assist anyone with personal problems. It also added four counselors to its staff this year. Mr. Engelhard, Mrs. Holloway, Mr. Solomon, and Mr. Engle, who is in Career-Vocation. The Guidance Office sought to gain information and to aid the students who are thinking about going on to college.

AIDES INCREASE IN NUMBER

AIDES

With the F.W. District increasing in size the need for more aides also increased this year. The Social Studies department added this year a needed aide, Mrs. Black. Mrs. Black also helps in the Foreign Language department. Our Math department also received two aides this year, Mr. Turner and Mr. Fenster. Miss Kaufman, also new this year, lends a helping hand in the Fine Arts department and Science department. Mrs. McCormick, the last new aide this year, spends her time in the English department. And last but not least, is Mrs. Ewell, returning from last year and still lends her artistic abilities in the art room.

SOCIAL STUDIES

This year the Social Studies department added four more electives to their list of five the year before. Out of the four new electives were three that department head Mr. Skrobel taught. These were Humanities, Chinese, and Russian History. The last one, Sociology, was taught by Mr. Pon. Mr. Pon was the only new member of this year's fine Social Studies staff. These classes proved very successful this year.

SPANISH GAINS POPULARITY

FOREIGN LANGUAGE

The Foreign Language Department had a few handicaps in starting out the year. The department was short on personnel and class enrollment was unbalanced. French and German classes were small and Spanish classes were too large. As the first week ended, the problems were lessened by cutting down on French and German classes and making more Spanish classes. Even with the problems facing them at the beginning of the year the department ran a successful program with their experienced teachers.

The English department didn't make any major curriculum changes this year. Instead, they made small changes to make their present program better. Through the course of the year they spent twenty-five hundred dollars on new books to replace the old and worn out ones. They also spent fifteen hundred dollars on new equipment to make teaching and learning a little easier. Of the ten members of the English department, three of them are new: they are Mrs. Nancy Menth, Mr. Mike Sechrest, and Mrs. Wynn McAteer. "During the year the English department tried to please everyone. Even though we probably didn't, we tried", said Mr. Ewell, department chairman.

MATH BRINGS BACK COMPUTER SCIENCE

MATH TEACHERS

The Mathematics Department is very innovative at Flowing Wells High School. The Math requirement for graduation was changed from two years to only one year. This year's Freshmen will be the first to use this requirement. Computer Science, a very popular course, was grought back this year, as well as Basic Surveying. The utilization of the multimedia in teaching of Math is also being explored. 1973-74 was a very good year for Flowing Wells' Math Department.

SCIENCE TEACHERS

Science classes are available to all students, many of whom take Science for interest as well as preparation for college. You probably remeber the strange odors when you passed by the classrooms. Many of these so called odors came from the animals that were examined by the Biology classes. Faculty members were kept busy revising and expanding the Science program, as more students enrolled for Science classes this year.

ANNUAL MAGAZINE DRIVE A SUCCESS

This year's Senior class was led by Pete Dobyns and Karen Walker. The seniors' main goal was to make money for the party at the end of the year. The money making project was the annual magazine drive. The seniors also hosted the Christmas Dance which was held at the University of Arizona Student Union. The presidents had full co-operation from vice president, Fidel Aguila, secretary, Diane Deshawn, and treasurer, Gena Pyle. The class of '74 would like to thank the class sponsors, Mrs. Wolner, Mr. di Cosola, Mr. Adkins, Mrs. Holloway, and Mr. Nymeyer for their many hours of help.

drama productions /"OUR TOWN" A BIG HIT

The drama productions at F.W. this year which was under the direction of Mrs. Fletcher opened the season with the play, Our Town. Members of the cast were Jim Young, Beth Ehrhart, Bill Browning, Bob Bogle, Emily Weinzapfel, Donna Nichols, Kuk Koskella, Mark Foster, Mark Miller, John Garrett, Julie Jackson, Kathy Linson, Tina Kellum, Keith Varner, Larry Trabu, Nancy Siwick, Jane Silvester, Lou Burkey, Bob Sandberg, Paul Groover, Mary Cartter, and Herb Unruh as stage manager. Finding time at first to practice was difficult for students and advisor. This was all caused by the majority of the students having jobs which left them very little time to rehearse.

50's week/DREAMBOY FIDEL IS THE CATS MEOW

Bobbysocks, long skirts, ponytails, red lips, slicked back hair, shades, and bubblegum were all a part of the 3rd annual 50's day. The assembly started with the poms and cheerleaders doing the usual 50's dances like the stroll, the bunnyhop and the jitterbug. Each squad did their version of skits and cheers. The freshman squad did many varieties of cheers while the J.V. squad sang and danced to Rock Around the Clock. The varsity squad accompanied lead singers Pam Benavidez and Georgia Boday in Do-la-lang. The poms did a routine to Boogie Woogie Bugle Boy along with gold and blue. They then gathered around to listen to the 50's dreamboy Fidel Aguila and his gang sing Blue Suede Shoes and Wooly Bully. Channel 13 T.V. was also there to get in on the action.

spirit week / JUNIORS LEAD SPIRIT WEEK

Decorations and pep rallies were common sights during F. W. spirit week which was held the week of October 22-29. Sophomores started the week by packing the hallways with an overflow of colorful signs and crepe paper. The activities during the break proved to be exciting as the band came out and played pep songs. Seniors showed their spirit Tuesday by decorating their hall and a large area behind the IMC with posters and balloons. The following day the juniors showed everyone what spirit really was. Their hallway was decorated well with many original ideas. The juniors then made sure they were heard during the break by marching around school cheering. The juniors were chosen most spirited. Freshmen were given Thursday to show how spirited they were and they did a very good job decorating their hall with bright signs along with holding a pep rally during the break. The spirit the student body showed during this week was one step toward our victory against CDO.

olympics /SENIORS MOST ATHLETIC?

The Sophomore class again hosted the second Olympic Games at Flowing Wells. Each class chose two students and two faculty members to represent them. Representing the Seniors were Robin Odberg, Terry Spencer, Mr. Meneley and Mrs. Green. Marilee Anthony, Jim Kelley, Mr. Lee and Mrs. Callis did a fine job for the Juniors while Becky Zuern, John Bray, Mr. Sechrist, and Miss Meachem got in there and put a lot of spirit and work into the events for the Sophomore class. The Freshmen also did well and Linda Spencer, Steve Castenada, Mr. Grissom and Miss Lombardo represented them. The scooter race, the egg toss, the five legged race and the balloon shaving contest were a few of the events these sixteen athletic students and faculty members competed in. The Senior contestants took first place in an overtime against the Sophomores and were awarded with the tennis shoe trophy.

bellamy /LEND A HELPING HAND

In 1967 Flowing Wells High School was honored nationally by winning the coveted NATIONAL BELLAMY AWARD, as being the best representative of public high schools in the state of Arizona. Every year since the initial award was given, we have commemorated this honor with an annual program. This year's Ballamy Award Program theme was directed and dedicated to MAN as a CREATIVE HUMAN BEING and to George Mason, the "Father" of the BILL OF RIGHTS. The second annual "FRIENDS OF EDUCATION" award was awarded to the internationally known and respected artist, Mr. Ted DeGrazia. This year's theme song was LEND A HELPING HAND. . . .and the 1974 assembly was devoted to creative works of the student body in the area of dance, music, song, literature and speech.

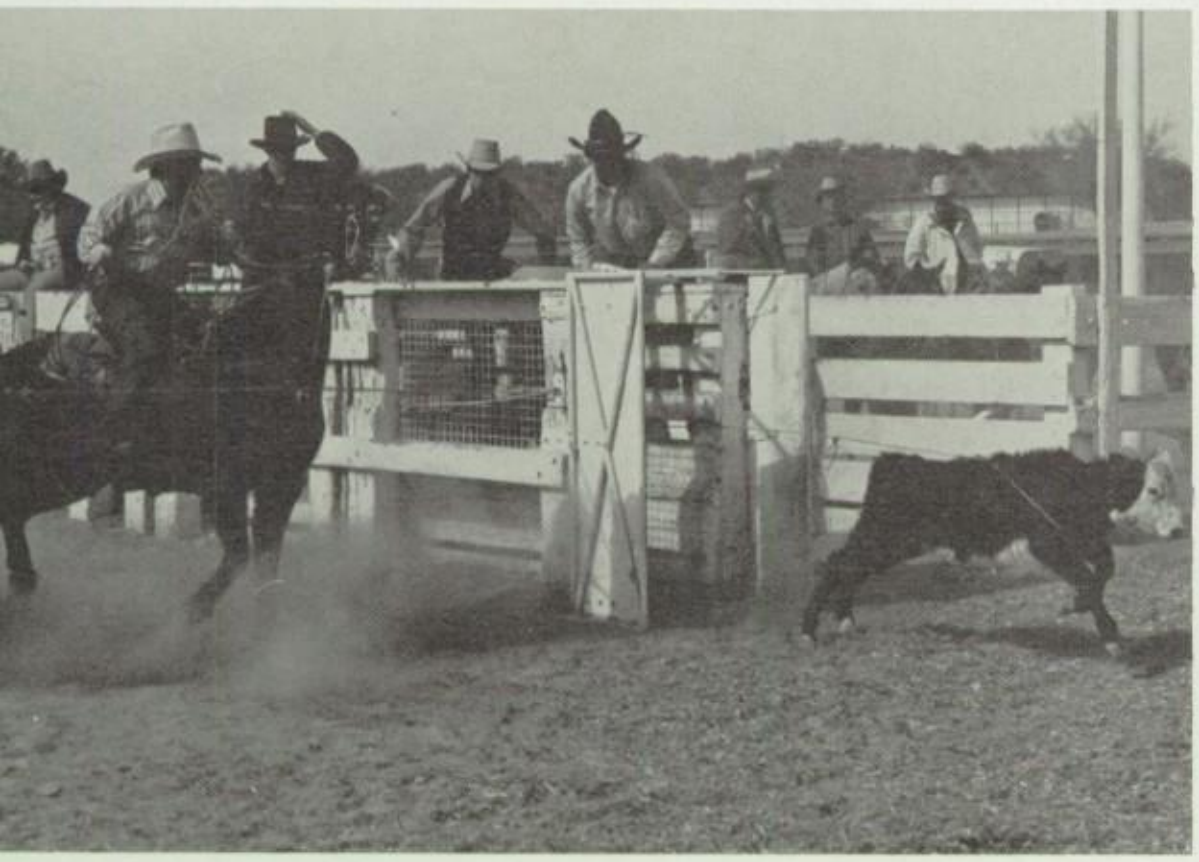
organizations /RODEO CLUB BRIMS WITH SUCCESS



Mr. Buttler, sponsor of Rodeo Club, said the main goal for this year's Rodeo Club is to promote the appeal of Rodeo, perpetuate the Western heritage, provide social events among members, and participate in Rodeos sponsored by other schools. This year's Rodeo was held at Casa de Caballo, Feb. 20. Among the eight schools that entered, Flowing Wells placed fifth with 2 points as opposed to 14 points of Wilcox which took first. The Rodeo was the Club's main event, but also held some Jack Pot Roping with other schools. The Club honors such officers as: President, Brian Anderson; Vice President, Jon Welch; Secretary, Cathy Cleburg; Treasurer, Robbie Woods; and Sargeant of Arms, Jim DeCiancio.

Scuba Club / DIVERS HAVE SPLASHING YEAR

This year's Scuba Club was unorganized as a school activity, but club members who were all certified divers got together throughout the year to organize diving trips to places such as San Carlos Bay, Parker Canyon Lake and many other spots nearby. The Club owes much of their success to Mr. Ladd Baush, Mr. James Butler, Mrs. Yvonne Taft and Mrs. Sue Callis who all acted as sponsors.

Art Club/ART CLUB CREATES NEW 2ND YEAR

This year's Art Club started off with new members as well as old. Their year was very busy and they visited many places. They attended the State Fair and had various field trips to such places as Art Museums, Art Shows and Art Studios, and a special art shop to help them learn about silkscreening. This year's officers were Pres. Julie Mitchell, Vice Pres. Stacy Schrepfer, Sec. and Treas. Anne Rohlinger and Sponsors Mr. McCue and Mrs. Ewell.

Drama Club/LIGHTS, CAMERA, ACTION!

The Drama Club had no officers this year and they did everything as a group. They sold bulletin boards to raise money to help pay for tickets to professional performances. This year the club went to several A.C.T. productions including "Scrooge" and "Promenatte All". To top the year off they did a production including all of the club members.

German Club once again had a very busy but exciting year. New students to the club found out that taking German was quite an experience. They began the year by selling their well known german pretzels. They also went to many exciting places like: Skate Country and bowling. They topped off the year by having a pizza party. Their sponsor Mr. Laue and many others look forward to next year.

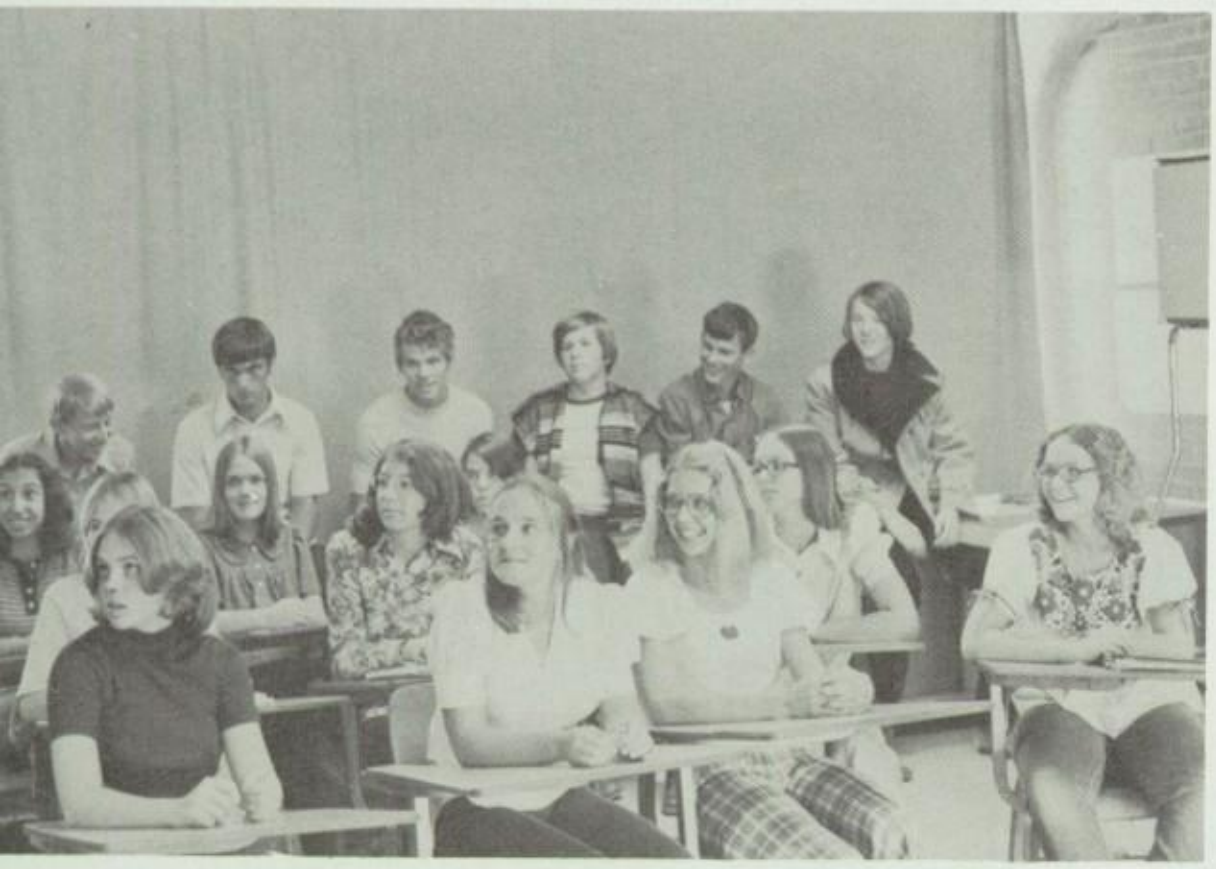
French club /C'EST MAGNIFIQUE!



French Club, sponsored by Mrs. Taft is again not only having a great and successful year, but a very exciting one also, judged by all 33 members. The main objective, says Mrs. Taft, is to provide those with a common interest in French culture a social organization for their natural enjoyment.

Among their delicious and famous bake sales the club scheduled various other events such as perfume sales and various holiday parties. The club honors such officers as; President, Susan Ouimette; Vice-President, Rosanna Tomyo; Secretary, Lora Buzzard, and Treasurer, Kyla Clark.

yearbook / SPUR STAFF INITIATES CHANGES

With many new and different ideas in mind, this year's staff dedicated inumerable hours to making the '74 SPUR a very unique edition. Work started this summer when four members attended journalism camp at NAU. They brought back with them much enthusiasm and new ideas. Among those approved by the staff were; new division of the book, layout, and a new system for caption and picture labeling. Advisor Ann Bennon, Editor Carolyn Pettit and Co-Editor Roseann Swanson, encouraged the staff through many difficult times when meeting deadlines seemed impossible. Although the 28 member staff met many downfalls, everyone pulled through with work nights and a lot of hard work. In addition to regular yearbook work, the staff also set out to increase their budget. Fund raising activities were greatly varied, ranging from selling popcorn, candied apples and floor mats, to soliciting ads to neighboring businessmen.

NEWSPAPER STAFF WORKS TO RAISE PAST STANDARDS

The 1973-74 El Cab staff initiated a new advisor this year, Mrs. Winifred McAteer. With only six returning members, the new staff had a lot to learn and lots of hard work ahead of them. Some members contributed quite a bit of their time by coming in after and working on the deadlines. Because of lack in experience, they started off rather slow in production of the newspaper, so it was decided their aim would be one paper a month. The newspaper also tried to get the students involved with school activities as well as academics, and the things that make a school work. The Editor-in Chief was Jamie Sautter, the News Editor was Jim Nichols, the Sports Editor; Lonnie Dull, the Feature Editor; Ann Rohlinger, the photographers were Andrew Cier and John Finley.

deca /CLUB TOURS MERCHANDISE MART

The DECA Club this year planned many activities and fund raising projects. The main goal of the club was a trip to California where they toured the Merchandise Market in Los Angeles. Earlier in the year they attended a Regional Conference at the Pioneer Hotel, and later a Career Development Conference in Phoenix. In an effort to raise money the DECA Club sold Sand Candles for Christmas and painted curb numbers around the district. The group was headed by fund raising chairman, Dolores Hall, and President, Debra Marsh, Vice-President, Kyle Hartman, Secretary, Monica Weinsapfel, and Danie Provencio, Treasurer, with sponsor, Mr. Richard Hanson.

Choralaires-madrigals /VOCALISTS SING NEW SOUNDS

The Choralaires brought a new sound this year to Flowing Wells High. These 16 singers and a full rhythm section of percussion and wind instruments were picked on their musical ability and their ability to "sell a song." They rehearsed on their own time and performed at many Civic Functions, Variety Shows, Radio and Television Shows, singing and playing all popular music. Also performing for the first time, were the Madrigals. These very select 17 singers were all experienced and highly trained. They performed at Civic Functions and participated in contests, Tour Concerts, and Exchange Concerts and played all Classical Music. Both of these groups were directed by Mr. Ladd Bausch.

The Caballero Gold and Blue bands started the year performing at football games. At the U of A band day, both bands were given straight A ratings in all fields of grading. For the first time in F.W. history, a two-band system was employed. Each band was independent of the other. The Cabs were selected as one of the fifteen bands from all over Arizona to perform in the Phoenix Fiesta Bowl Parade. The students were involved in several concerts and a four day tour along with many students actively engaged in solo and ensemble work for regional and state festivals.

/SQUAD ATTENDS CLINIC

The twirlers had a busy year performing for different events. The highlight of the year was their trip to Disneyland on Jan. 4th through the 7th, for a twirling clinic. They were chaperoned by their sponsor Sue Callis. Of course, they were seen performing during football and basketball halftimes. They marched during the Veterans Memorial, Rodeo, and U of A Band Day and received a superior rating. Then, in November they went to Legend City. The trip was financed with the money they received from selling candy with the band. During the summer they raised money by having car washes, bake sales, swap meets, and selling placemats. They raised enough money to buy new uniforms for camp. The year proved to be very rewarding for all the twirlers.

1973-74 Varsity Cheerleading squad had an eventful year. Starting with money making projects during the summer, the squad held car washes and sold Heath bars. In August they started holding practice and in September they helped with Jr. High cheerleading clinic. The cheerleaders sponsored the victory dance after the Nogales game and the Student Faculty Basketball game in November. Before the state game the cheerleaders, poms, and twirlers, gave a breakfast for the Varsity Football players. They had try-outs on November 21st to choose 3 new cheerleaders for basketball season. The new cheerleaders were Juniors Pam Benavidez, Georgia Boday, and Senior Diane DeShawn.

The all-sophomore squad worked very hard to buy new uniforms. The J.V. squad held carwashes and bakesales at ElCon Shopping Center during the summer. During the year they sold Heath bars and candy apples to raise money. Four members of the squad attended the U of A Band Day cheerleading clinic. Their sponsor, Miss Lombardo, felt that the squad was very organized. They raised one hundred ninety-three dollars to pay for their new football uniforms. The entire year proved to be very successful for the J.V. cheerleaders.

The enthusiastic freshman squad began their year early, holding bake-sales at the very beginning of summer. Then later during the summer they held carwashes at the Gulf station on the corner and they sold Heath bars to help raise money for basketball uniforms. The highlight of the year, however, was when the entire squad attended the cheerleading clinic at the U of A on Band Day. They even cheered for the Arizona Wildcats during the football game that day.

The 73-74 Pom line was headed this year by Junior, Brenda Marsh and co-headed by Senior, Rosanna Trujillo. The line helped keep up school spirit by performing routines during pep assemblies, pre-games and half time shows. They performed at the U of A Band Day and attended a clinic at Disneyland. They were responsible for the run-throughs, signs and decorating the gym for pep assemblies. They help hostess parties for the players on game mornings. To make this all happen money wise they sold carmel apples, had several carwashes and showed a movie. This year the poms had a new sponsor, Linda Loomis, a former U of A Pom. She helped the girls throughout the year with money making projects and their routines.

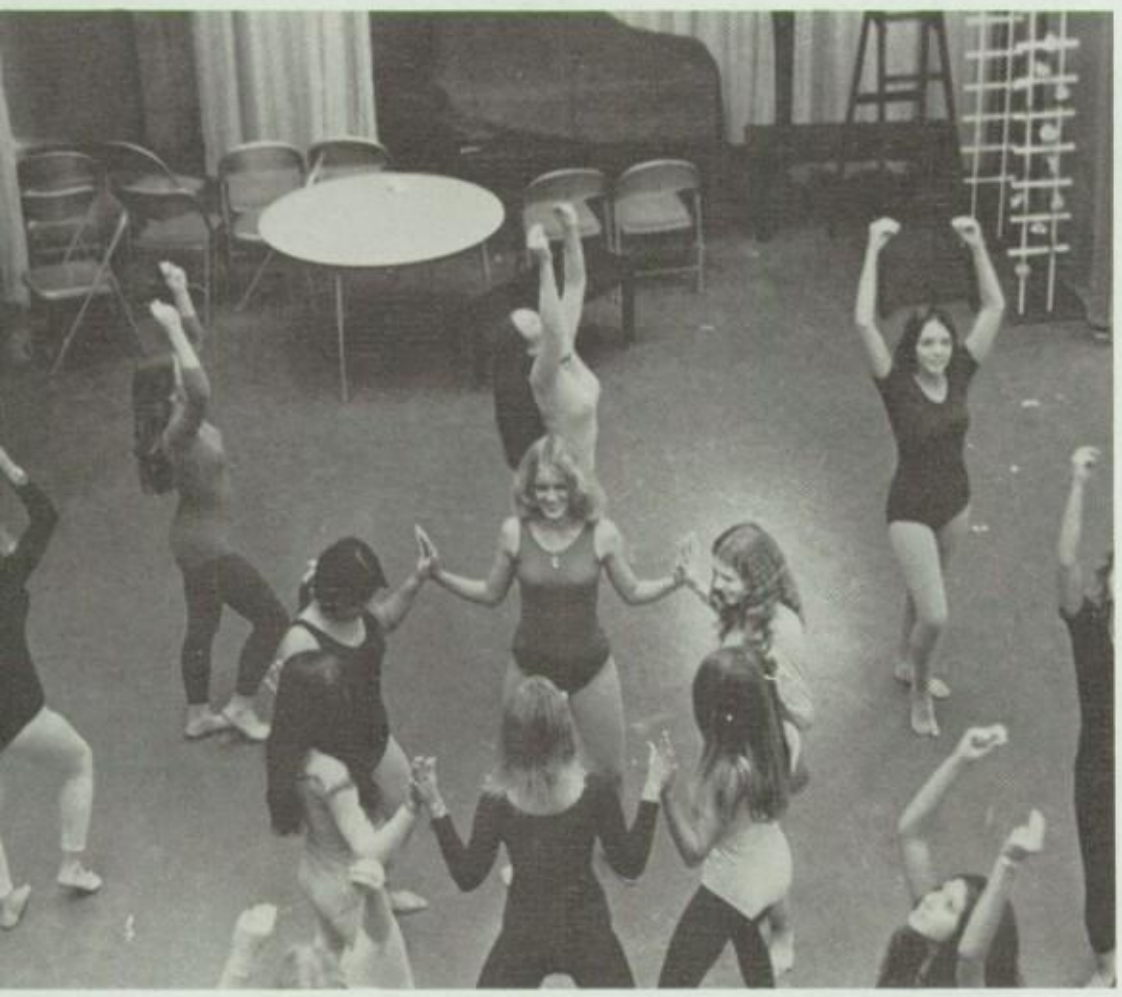
nod dance /DANCERS PERFORM IN CHRISTMAS



The modern dance group was sponsored again this year by Sue Callis. The performing group's class was during fifth hour. The year started out for them with an informal morning concert for individually invited classes. The concert was video taped and used as a learning tool. Later in the year they added a forty-five minute segment to the Fine Arts Christmas program. In January and February they did some intricate filming to share their experiences with other schools, thereby helping to put on a city wide dance. Their major dance was the Spring concert in which they had a few big productions and a few smaller ones. They formed a town and with the money made from all money making projects they went on a small trip at the end of the year. This year's modern dance group was bigger and more active than in past years.

key club /INITIATION SETS OFF YEAR

The 73-74 Key Club was once again on its toes throughout the year. The Key Club was a non-profit service organization which worked with the Kiwanis Clubs around the nation. This year the guys helped the Girl's Club of Tucson put on a Halloween carnival to help keep the kids off the streets. It was a total success, approximately five hundred kids showed up. They also co-sponsored the Homecoming Festivities with Girl's League. To help out the needy they organized a clothing drive for Fair Chance, Inc. During Christmas they had the usual canned food drive and in May helped put on the Randolph Park Kiwanis Barbeque. This year's president was Mike Jacobs, vice president was Donald Hom, secretary was Phillip Don, and treasurer was Matt Stanley.

girls league /POWDERPUFFS PICK KING

This year's Girls League turned out to be more organized than in the past couple of years. A membership was set up with Gena Pyle as president, Roseann Swanson as vice president, Bobbi Simpkins as secretary and Ann Marie Arino as treasurer. The sponsors were Mrs. Curiel, Mr. Lim, and Miss Lombardo. The year was set off with the annual choosing of the five football players for Homecoming attendants and co-sponsoring with Key Club the Homecoming Festivities. They once again sponsored the Powder Puff football game and went to the Forresters Old Pueblo Nursing Home during Christmas to help cheer up the Senior Citizens. Along with the money made from the Powder Puff game the girls sold helium balloons at games. They also helped decorate the school during CDO and Spirit Week.

Each year the Key Club selects a girl out of the Senior class to represent them as their Sweetheart. This year's Sweetheart, Ann Marie Arino, was chosen on the basis of her beauty and charm. Ann Marie was on the Pom Pon squad her Junior and Senior year, and she also participated in Girls League. Bachelor King Larry Bieberstein was chosen by Girls League to represent them as, "the Man about campus," during Twirp Week. Larry participated in Basketball and Football, among other things. Also selected as attendants were Senior, Glen Cutlip, Junior Joe Pepper, Sophomore, John Bryant, and Freshman, Jeff Cutlip.

This year's homecoming was one of the best Flowing Wells has seen. The Homecoming King and his attendants were chosen from the senior Varsity Football players by Girls League. Five candidates were selected and the senior girls of the student body voted for the candidate of their choice. The Varsity football team chose the Queen, and her attendants from the senior girls. During half-time the King, Queen, and attendants were presented. They were escorted into Corvettes obtained from the Vette Club, and cruised around the field. Last year's Queen, Elva Valenzuela, crowned the King, Lance Bryant, and he in turn crowned the Queen, Yvonne McCown. The night ended with a Homecoming dance after we conquered Coolidge 28-6.

rodeo royalty /CROWN PRESENTED TO QUEEN

The Rodeo Club nominated the Rodeo Royalty candidates. The student body then voted for the candidates of their choice for each class. The Rodeo Royalty was announced at the Rodeo dance. The royalty also rode in the Rodeo Parade. The chosen queen was Kathy Cleberg, Senior attendant was Melody Ashcraft, Junior attendant was Mary Moore, Sophomore attendant Debbie Blick and Freshman attendant was Cheryl Bourassa.

The 1973-1974 Student Body Officers led a busy year. The officers are responsible for many duties. President Mike Jacobs, had the honor of being the official representative of F.W. students and the school itself. Vice-President Matt Somers had the important job of backing up the President when he could not make appointments. Matt was also the chairman of Inter Club which financed other clubs. Lennette Kallal had a busy schedule as treasurer. She had to balance the accounts of the Student Council and handle all money from concession areas. Secretary Lynn Harper was responsible for the correspondence with F.W. Student Council and other schools. She also kept the minutes of the meetings. Altogether the Student Body Officers had a busy year completing their jobs. It was a job well done.

COUNCIL GOVERNS SCHOOL ACTIVITIES

The Student Council Class this year led by Mike Jacobs, President, and Dave Snyder, Sponsor, proved to be the best in years. Beginning with the Mixer dance, the 73-74 Student Council proved already its belief in serving the ASsociated Students of Flowing Wells High School.

Though it seems Student Council does not exist, many debates and discussions for a better Student Body have occurred. Also, Student Council exchanges have taken place. Representatives to the many committees of the school were appointed. Flowing Wells was represented in many city-wide boards including the Arizona Association of Student Councils and the National Conference of Christians and Jews. Through the concessions machines funds to complete landscaping of the Senior Patio were obtained. Student Council this year also worked very close with the Junior Class to put on a very successful prom, and worked with clubs and organizations of the student body in every way they could every day of the year.

staters /STATERS PARTICIPATE IN WORKSHOP

Girl Staters and boy Staters are selected at the end of the year by the faculty to participate in a model government workshop held in the summer. Both Stater's programs elect their own students to perform the duties of regular state officials to form an imaginary 51st state. The state is divided into two political parties, the Federalists and Nationalists. The purpose of the workshop is to provide a citizenship training program. This year's girl Staters were Gena Pyle and Elaine Huguinin, who attended the University of Arizona during the week of June 11-17. Boy Staters were Mike Jacobs, Don Hom and Pete Dobyns, they attended Northern Arizona University from June 9-15. Gena was elected State Treasurer and was appointed to do her city budget. She was a member of her party's organizational committee. Both Gena and Elaine took part in the Girls State chorus. Mike Jacobs was elected Judge and Don Hom was County Assessor.

anytowners /ANYTOWNERS RELATE

Anytown is a human relations camp held at the Sky-Y Camp in the summer for teenagers of different races, creeds, and from different religious backgrounds. The students were from high schools in Arizona. They learn about each other through discussion groups and role playing. They also participated in supervised study and recreational activities. The advisors included teachers, school administrators, community leaders, entertainers, clergy of all faiths, and professional specialists. This year's Anytowners were Matt Stanley, Karen Walker, Matt Somers and Philip Don.

n.h.s. / CEREMONY WELCOMES INITIATES

The National Honor Society is comprised of students who distinguish themselves in character, leadership and service in addition to achieving an academic grade point average of two point zero. Its primary function as an active organization on campus is to provide a service for the school. This year members of N.H.S. have provided tutorial services for fellow students and acted as group leaders in the regularly scheduled career workshops. The introduction of new members, the majority of whom are juniors, at the beginning of the spring semester is the high point of the year.

CABS PLAY AGAINST ODDS

The Flowing Wells Caballero football team of 1973 turned out to be one of the most surprizing in years. The Cabs, the predicted underdogs in 4 out of our first 6 games, pulled through with a 7-1-1 season record. The first game of the season proved a surprizing upset to the triple A school Sunnyside. With the Cabs trailing Pete Dobyns kicked a 15 yard field goal to win 10-8. After that game the Cabs realized their potential and decided to put it to use. The next game the Cabs beat Coolidge 28-6. The Cabs started to relax and squeaked by Globe then lost to Aqua Fria. The Cabs then lost quarterback David Galvez in the last quarter of the Safford game with a broken collar bone. The inexperienced Hans Raymond stepped in and showed the crowd there was no need to worry as he lead the Cabs to a 28-6 victory. Next was the big game against C.D.O. They falsified the predictions by smothering the Dorados 23-13. With confidence high the Cabs tied San Manuel 14-14 and realized that hopes for the divisional title were at stake. After beating Bisbee 20-13 they went on to secure the divisional title by stomping Nogales 42-0.

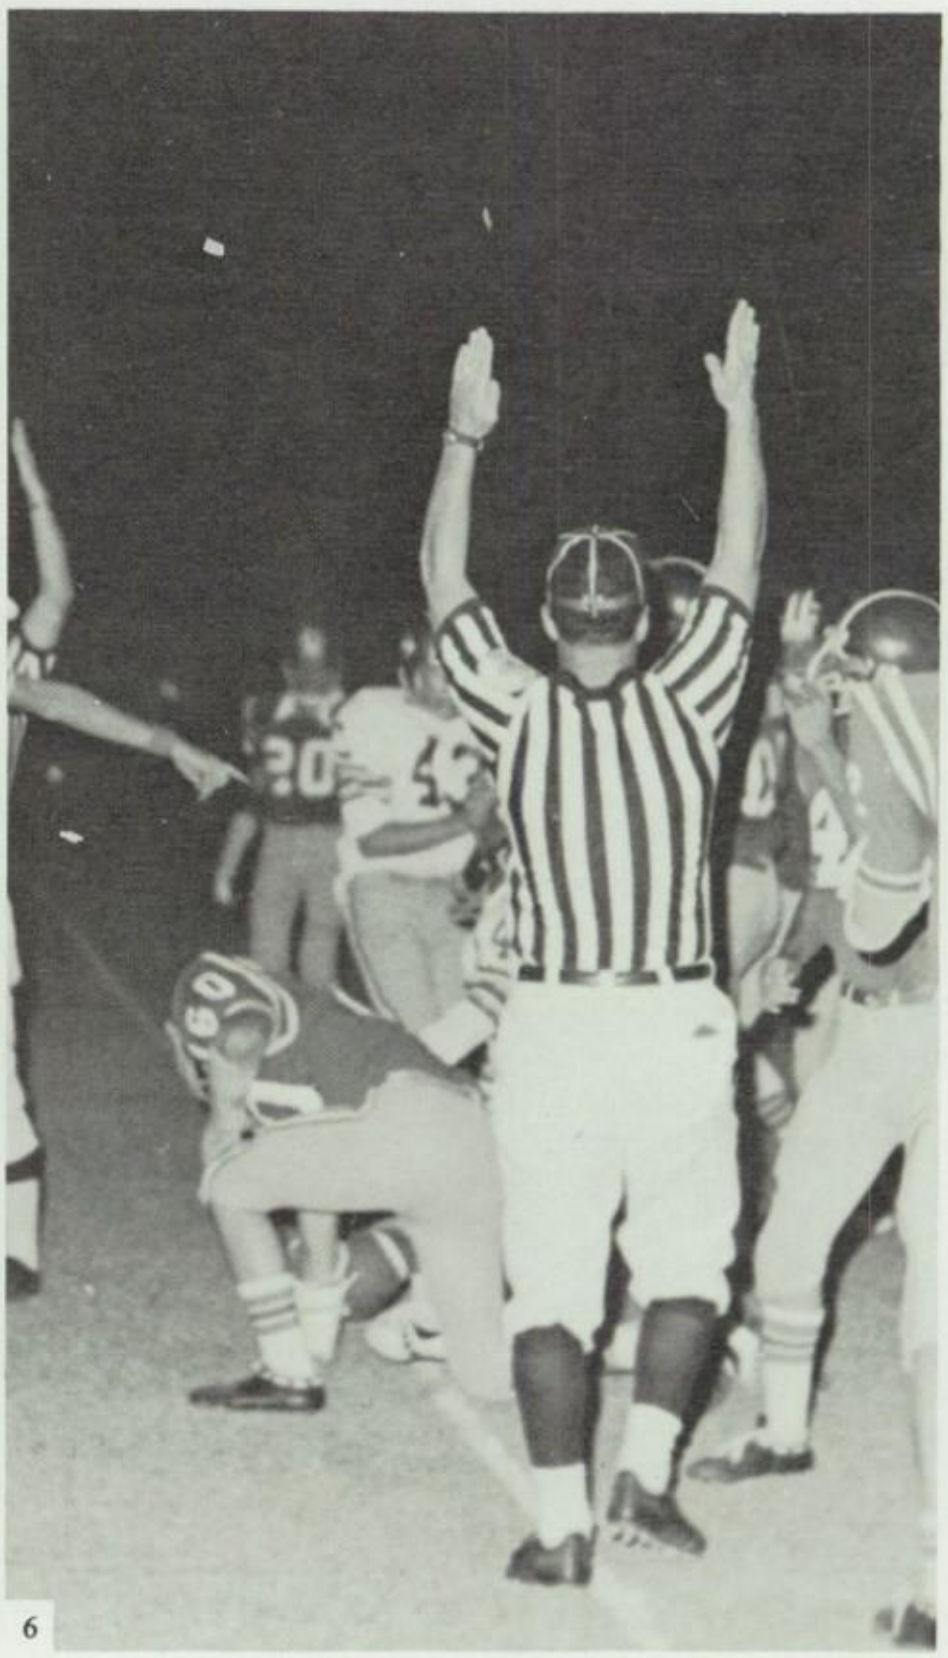
TEAM EFFORT PROVES REWARDING



J V CABALLEROS LOOK IMPRESSIVE

The 1973 J.V. football team coached by head Dave Snyder and assistants Dave Thomas and Roger Werblo, proved themselves by posting a 7-2 win-loss season. The defense was the strongest part of the team as they held Coolidge to only one first down and then the following week held Globe to only three. Juniors Jerry Provincio and Robert Ramerize were the outside cornerbacks, while Sophomore Richard O'Haver played the role of middle linebacker. The offense, with outstanding runningback John Bray, looked impressive with only two games which they failed to score. Sophomores Richard O'Haver and John Bray were brought up to the Varsity to fill in for hurt players. Tom Reardon who played at defensive end was injured during the Canyon game as he was filling in at runningback for a few plays.

BABY CABS FIGHT FOR SPIRIT OF 77

This years Freshman football team coached by Larry Gray and Tom Smith proved to have many promising. With a tremendous show of 47 players ready to get into the action, Coach Gray had enough players to play at least 22 men with no two way starters. This provided opportunities for all the players to get more experience for next years J. V. team. With an inexperienced team Coach Grey feels that his team is a lot better than its record of 2-7, and will show it in years to come. Credit is given to Danny Sanchez, Perry Ikaika, and Darby Webster for their outstanding jobs during the regular season.

In this year's state game, the Cabs followed the unwanted tradition of losing the state football game. Completely dominating the game, the Cabs got 12 first downs compared to 8 for Coconino. John Bryant made more yards himself than Coconino did in total offense. Quarterback David Galvez let go 15 passes, completed 7, and had 3 intercepted. He handed the ball off 28 times and the Cabs got 155 yards rushing. Although all the statistics were in the Cabs favor, the turnovers provided the outcome of the game since Coconino recovered 3 of our fumbles, 2 of them in our own 20 yard line. Danny Englehart rushed for 46 yards in the fight to win but a lone field goal in the 1st quarter was the only reward for the efforts of the 1973 Caballero team.

GRAPPLERS EASILY GRASP DIVISION TITLE

The Varsity matmen for 73-74 achieved the highest goals of any team in the State. They posted an undefeated, untied season at 11-0 and swept 1st place in the South AA Division. This was a season for breaking records, as Danny Englehart went 24-0 for the most wins in a season and David Reardon set a record by wrestling 96 matches in his career. With 9 wrestlers in the finals of the Division, 6 returned with 1st place medals, 4 of them went to 1st year varsity grapplers Bill Freeman, Scott Greenhaugh, Joe Cerelli and Dan Rosler, Veteran matmen Reardon and Englehart walked away with the other two. Billy Barnes, Steve Hargis, Rich O'Haver and Glenn Cutlip all received a 2nd

The 1973-74 J.V. wrestling team showed that it could step in to fill the Varsity's shoes by producing an 11-1-1 season and 3 undefeated wrestlers. Schools such as AAA Washington and Sunnyslope, along with Sahurita Varsity squads were victims of the J.V. Coach Smith was proud of all his regular team wrestlers as he had enough depth to let everyone be team captain at one time or another. Three outstanding wrestlers that went undefeated are David Harper at 105, Randy Valdez at 119 and Dale Aimena at 135 with records of 9-0, 8-0-1 and 9-0 respectively. Dale Alimena also set a J.V. record with a 10 second pin, against Safford.

Coach Kotchou and his 1973-74 wrestling team had a hard time winning by wide margins as he had to forfeit 3 weight classes due to lack of men to fill them. Even though starting with these points against them the Frosh matmen went 6-5 for the season.

VARSITY MATMEN PIN STATE TROPHY

3

This is the first time any team in Arizona has ever taken the State title three years in a row. They placed a total of eight grapplers in the finals. Bill Freeman, David Reardon, Richard O'Haver and Dan Englehart all took first place while Scott Greenhaugh, Robert Rameriz, Steve Hargis and Glenn Cutlip all received a second place medal. Joe Cerilli walked away with a third and 170 lb. heavy weight wrestler Dan Rosler placed fourth. The matmen returned victorious with a score of 160 which almost doubled the second ranked team, CDO, which had a score of 87. The Cabs were also the highest scoring team in Arizona. It is also a record high for points scored in a state meet which was set last year by the Cabs

CAGERS HAVE STRONG FINISH

Flowing Wells students can be proud of their 1973-74 cagers. After experiencing a slow start, the team came on strong at the end of the season winning 10 out of their last 14 games and capturing third in their league. The top three scorers were Bill Sanderlin, David Galvez and John Mathews. Mike Jacobs, Lance Bryant and Charlie Curtis proved themselves to be the top defensive players on the squad. Larry Bieberstein, John Mathews and Bill Sanderlin were the team's leading rebounders. Strong support was given at the end of the season by Juniors Robert Larson, David Noriega andSoph. John Bryant. David Galvez was named to the first team AA-South Division and Bill Sanderlin was named to the second team. Mike Jacobs and John Mathews both received an Honorable Mention. Sanderlin was also named to the Sunnyside Blue Devils Classic All-Tournament team. Coach Engbertson commented, "They always had faith in themselves that they were the winners and would ultimately attain their highest goals."

J.V. ROUNDBALLERS TIP OFF

1

This year's Junior Varsity Basketball team, although lacking experience was a very good ball club. The team had a number of players who came out for the first time and in difficult plays things got a little rough for the Junior Cabs. The team was coached by Mr. Dan Pon who is in his first year as a coach here at Flowing Wells. Outstanding players on the team were John Bryant, Tom Johnson and Jeff Jones. Coach Pon thinks that with this year's experience, returning boys will be an important part of next year's Varsity team.

FROSH ROUNDBALLERS HAVE WINNING SEASON

This year's Frosh roundballers had a winning season. Over half of their games were won by a fairly close margin. Most importantly, the freshmen squeaked off two games against C.D.O. by one point. There weren't many injuries to the players, but with three weeks left in the season, Jon Zieglar sprained his ankle and was out for a week. The team had two new players since last year and they helped the team greatly toward the winning season.

This year's Cross Country team, coached by Mr. Hayden Smith, had the best season ever for Flowing Wells. A lot of fight and courage was shown by all of the runners as they posted the most wins ever for Flowing Wells. The team was led by Brad Stratton, who had a fourteen minute, nineteen second run for a three mile course. According to Coach Smith, Brad is one of the top runners in the state and is the best ever at Flowing Wells. Cross Country added a Junior Varsity team this year as more boys came out, lifting the team strength to fourteen runners, eight of which ran under eighteen minutes for three miles and five of whom ran under that time. Summing up the season, Coach Smith stated, "Brad's effort and success was an inspiration to the whole team."

TENNIS ANYONE?

This fall, Coach Pam Reavis got together a boy's Freshman team, which was something new for any AA school. Since Flowing Wells is the only AA school to have a Freshman boy's tennis team, it was forced to play AAA schools; this made competition tough. However, its ability matched that of an AAA school and the team had a very successful season. Returning from last year's varsity team were Jeff Keenan and Philip Horn who added to the experience of the varsity team. Although the team is young, the players enthusiasm has led them to a good season.

This year's Varsity Baseball team, loaded with new upcoming prospects and complemented by returning lettermen, showed the school an outstanding year. The team was coached by Mr. Lee Dobyns who stated he has compiled the finest talent he has ever had before. With a small squad Mr. Dobyns felt he could work more with each player. This paid off as the Cabs were again one of the top ranked teams in the AA Division. Assisting Coach Dobyns were Coach Steve Lee, who led the infield, and John Gleeson who coached pitching.

This year's Junior Varsity baseball team, coached by Mr. Lou Ocvirek had solid strength at most positions combined with solid pitching to round out a solid ball club. Most of the boys of last year's team came out plus many new boys to make a very strong team and a solid part of next year's Varsity Team.

FROSH GAIN ABILITY

This year's freshman baseball team had a very competitive and exciting season. Their coach, Mr. Len Anderson, stated that with everyone that came out this year that they would undoubtly have one of the best freshman baseball teams ever. Competition was tough for making first string but many pulled through. The pitchers for this year's team were: Greg Sendlak, Scott Sanderland, and Perry Ikaika. David Hargis, Jim Provencio and Danny Sanchez showed professional skill while playing first, second and third bases. All of the boys that came out this year are looking forward to making the J.V. team next year.

READY, SET, GO!

According to Coach Dave Snyder, this is the best track team he has coached in his three years here. Again Brad Stratton is a standout on the team in the one mile and two mile events, and he had the best time in the city in these events last year. Another important team member is Lance Bryant in the long jump, and Coach Snyder is getting strong performances from Steve Vincent and Steve Daffern.

J.V. TRACKMEN SHOW MUCH IMPROVEMENT

This year's J.V. Track Team, coached by Hayden Smith showed much improvement over the past years. They had many tough opponents, opening the season at San Manuel. The J.V. trackmen competed in distance and sprint events, as well as field events such as pole vault, high jump, shot put, discus, and triple jump. The tracksters showed a great amount of promise and many of them hoped they would advance to the varsity squad before the end of the season. They all showed a lot of team spirit throughout the season.

GOLFERS SWING INTO ACTION

The Flowing Wells Caballero Golf Team began their season Febraury 27th against Sabino. They all have high hopes of advancing to the State Tournament May 9-10 here in Tucson. With many golfers returning from last year this looks to be a very good year for Flowing Wells Golf.

GIRLS ARE ACTIVE IN GA

This year's Girls Athletic Association members had many sports to participate in and two new coaches to help them along. Mr. Lee took over as the speedaway coach and Mr. Grissom stepped in as the hockey coach. Other coaches were Mrs. Meachem as basketball coach and Mrs. Holloway coached the baseball team. The girls devoted their time after school to practice the sports, and showed that they still had pride even though they didn't show impressive records. The girls put on bake sales and car washes, along with selling sweaters and booster buttons at football games.

AD IN AD OUT

The 1973-74 Girls Tennis Team started out the season with something new, a Freshmen Team. This being their first year, competition was a little rough, since the only schools that would play them were triple A. However, their spirit was not dulled by hard competition and many will return next year as varsity players. The Girls Varsity Team, coached by Miss Pam Revis started the season well with a victory over Bisbee. With three returning varsity players and a big interest from new members the team was able to turn out a successful season.

VOLLEYBALLERS STOMP CDO

The 1973-74 Volleyball team's victory over CDO was the best thing that happened all season. The team didn't have much experience on their side but a lot of spirit and talent. Although the team got off to a slow start, the volleyballers played well at State. Flowing Wells looks forward to a bigger and better season next year.

SENIORS PUFF JUNIORS

The upper class girls struck a blow for women's lib. Once again the Juniors challenged the Senior girls in the annual powder puff game. This year's tournament surprised tradition as the seniors walked away with what has usually been a junior victory. The juniors had class participation on their side with 35 girls making up an offense and a defense. The one thing that the juniors lacked was experience. That was the point in the seniors' favor. Returning quarterback Cindy Harper led the seniors to a 14-8 victory with the help of such well known stars as O.J. Walker and "Broadway Kathy" Paul. Most of the 16 members of this year's winning team were also players of last year's victorious junior team. The game almost ended in a tie when "Side-winder" Petrika threw a long pass to "Whizz Kidd" Webb who received it and ran over the goal line, but a holding penalty was called on the juniors. With only 14 seconds left and the juniors' fourth down, they couldn't quite do it. But if they play as well as they did this year, the sophomores are going to have a tough battle.

GYMNASTS SHOW ABILITY

This year's gymnastics team had a lot of potential as many new freshmen came out for the team. There were three returning gymnasts who really helped the team spirit. They were Donna Nichols, Anna Harvey, and Margaret Turner. For something new they chose team captains who were junior, Donna Nichols, and freshman Bambie Bodmen. Coach Wolner also had help as Miss Lombardo stepped in to help out. As many more uniforms were needed, the girls had car washes and bake sales to raise money.

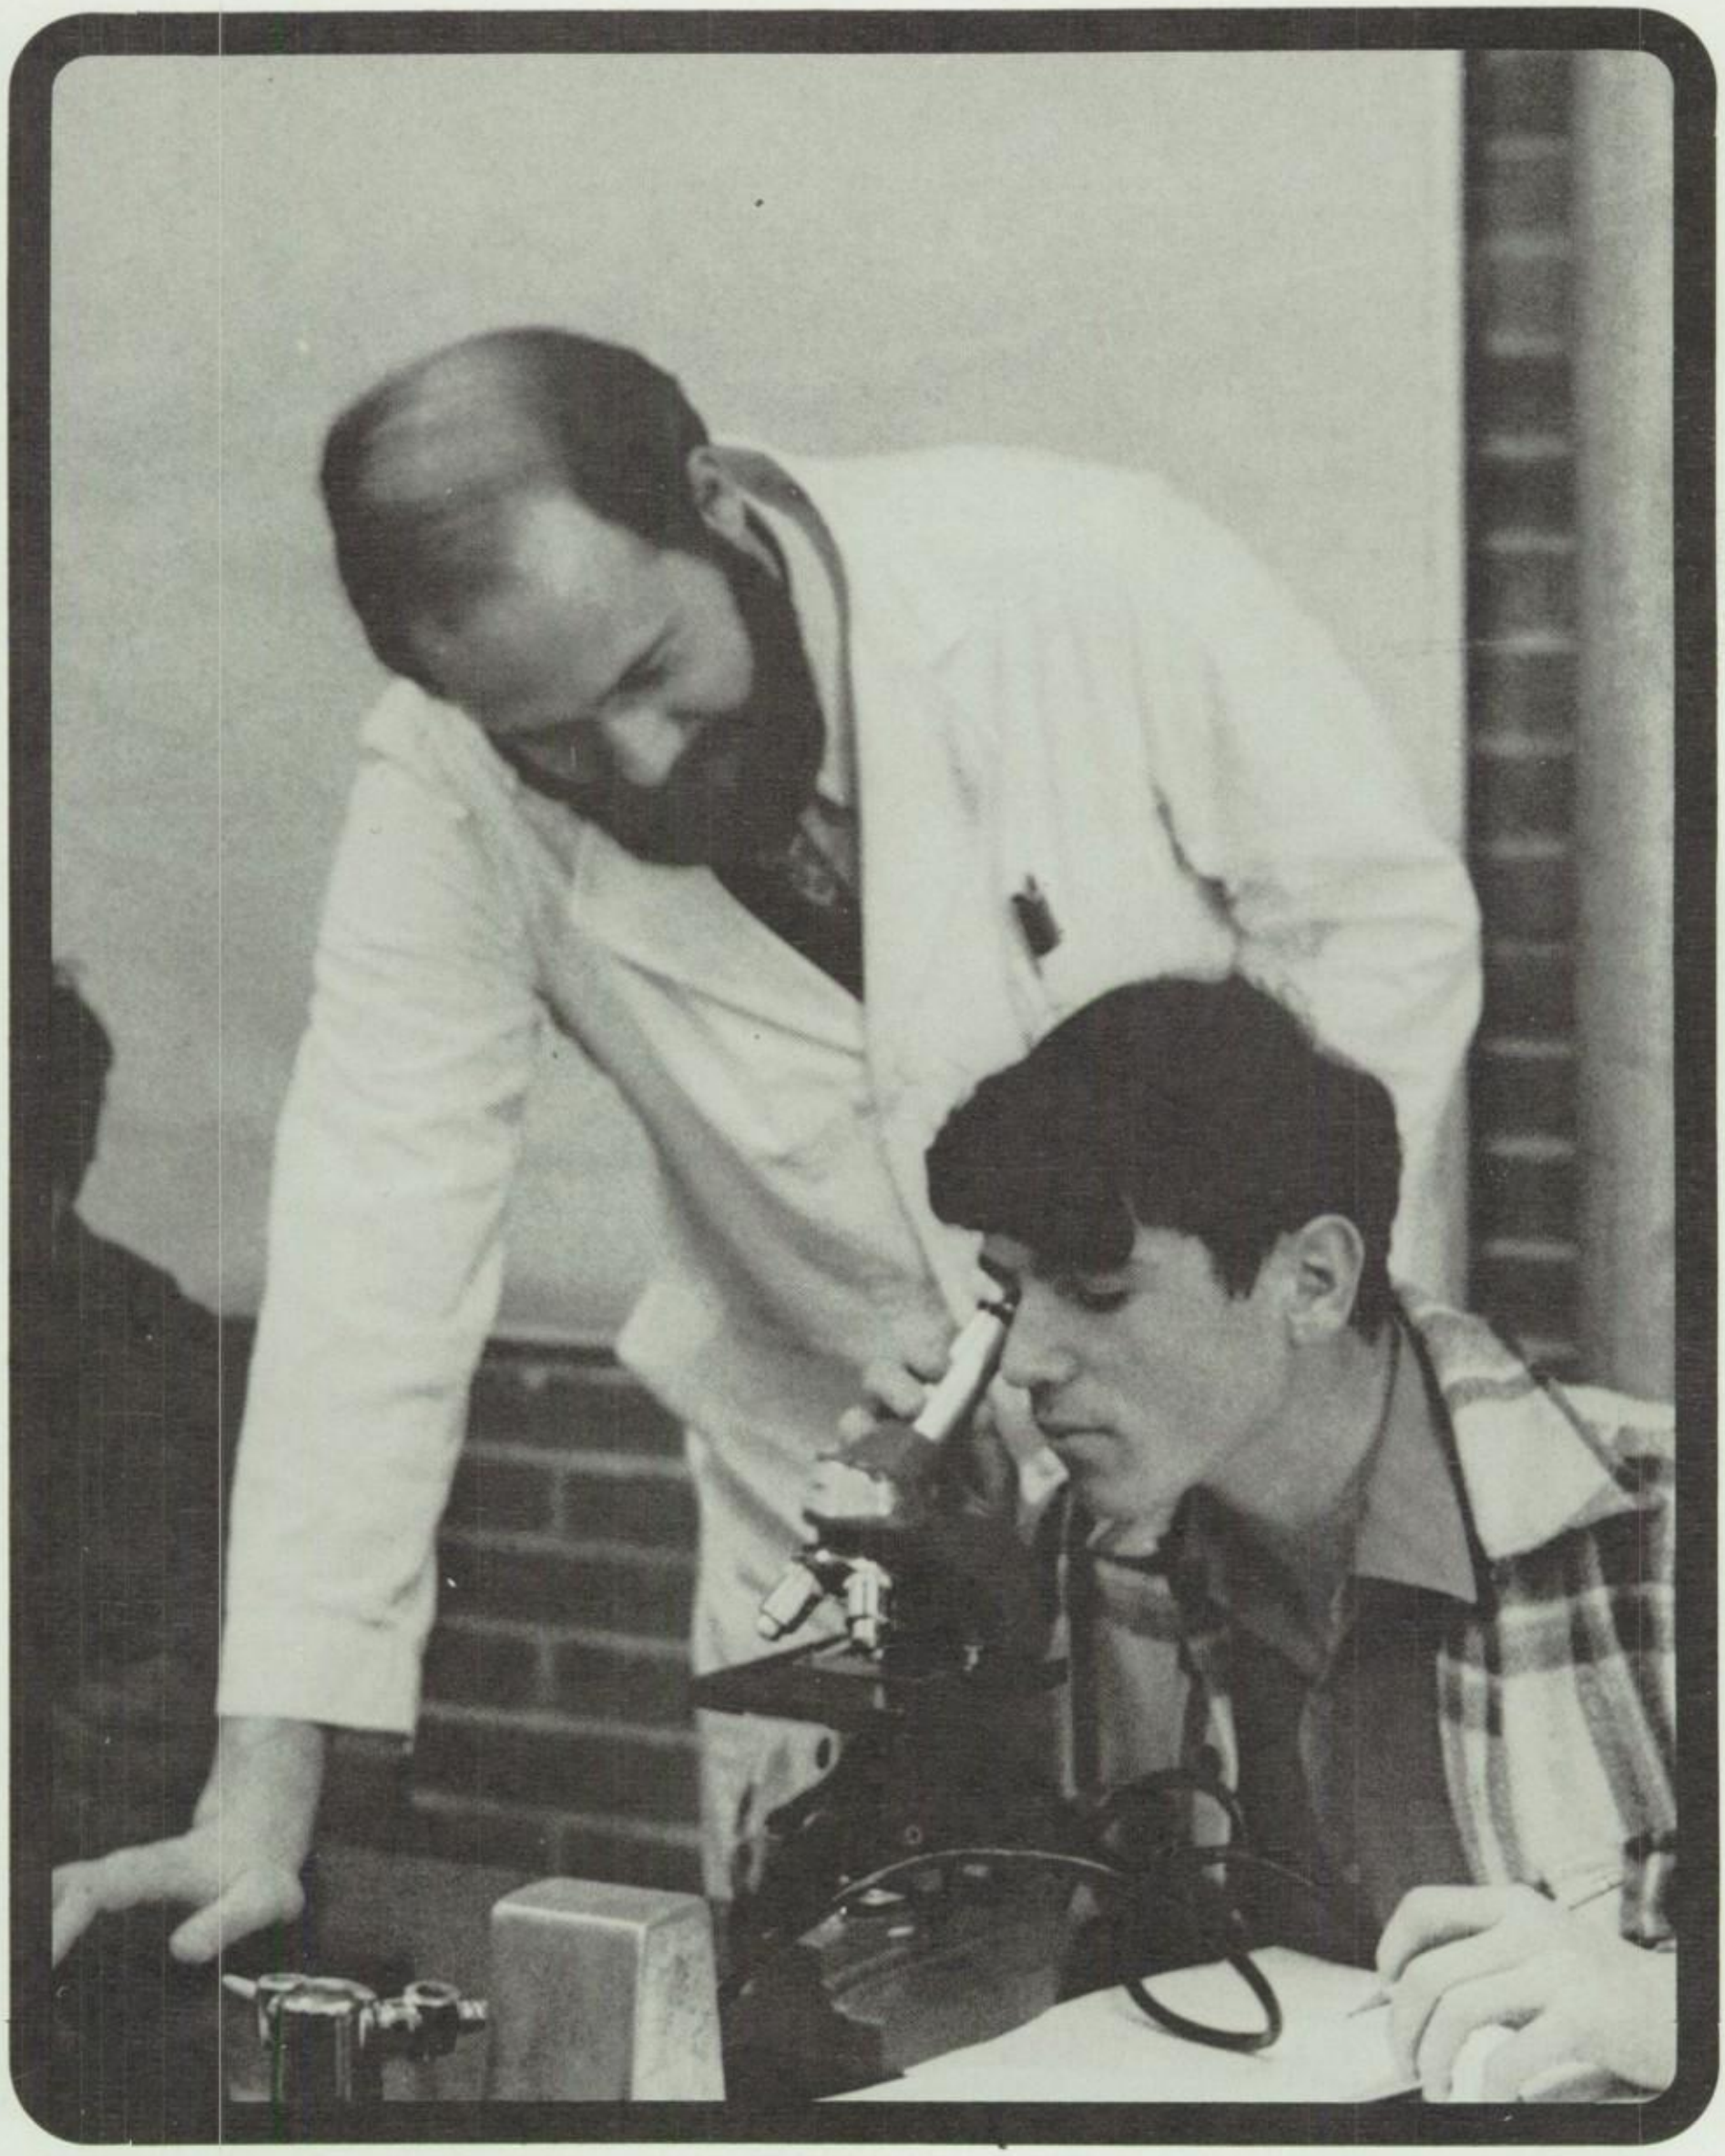
CLASSES



CLASS OF '75 PLANS ACTIVE YEAR

The 73-74 Junior-Senior Prom was brought to you by the class of 1975. The Juniors, in an effort to make the Prom a success, worked hard at money making projects. They sold refreshments at Junior Varsity games and had donut and carmel apple sales. As a last resort they even picked weeds for the cause. The Juniors were led by Co-Presidents, Jeff Keenan and Lenette Shumway, with help form Adeline Honnas, Vice-President; Georgia Boday, Secretary; and Joanne Tom, Treasurer. They were also given lots of help and co-operation by the representatives and sponsors.

CLASS OF "76" MAKES DEEP IMPRESSION

The Sophomores of '73 had a very successful second year in high school. They devoted most of their time and effort to raise enough money to give the class of '75 a good prom. Some of the activities they held through the year were: selling candy and popcorn at all home wrestling and basketball games, having dances and car washes. They found that bringing back the Student-Faculty Olympics proved to be a good money making project and it was a lot of fun too. Most of the class officers this year were on Student Council last year, so they brought back a lot of experience and ideas too. There were some newcomers to the class but they gave a new out-look on the year.

FRESHMEN START WITH LEADERSHIP

This year's Freshmen began their high school days with enthusiasm and spirit. They started off the year with a car wash which was a great success. Freshman initiation was fun and broke the monotony of the first days of school. They planned a bake sale which took place October 13th. Freshmen showed their spirit on October 25th during Spirit Week, by decorating a hall with streamers, balloons, and spirit slogans. Among other things, the Freshman class has lightened the school with its leadership and new ideas.
